

Hamesha aapke saath.

I have been honoured to serve you as MLA. It has been my constant endeavor to ensure that I am available 24x7 to address concerns - big or small - of every citizen, and that I stand shoulder-to-shoulder with you on every issue regarding Malabar Hill's public interest.

MUMBAI PROGRESSING

Over the past few years, I have focused on the completion of the Coastal Road to ease congestion in our area. As Minister over the past two years, I have been fortunate to engage with the youth & women while establishing high-quality skill development centers with global programs, and ensure they have opportunities for employment, financial independence, and stability for their families.

In the coming years, my focus will continue to be on employment generation. Also I will focus on creating a ~500 acre green forest along the coastal road to make our constituency greener, improve air quality, and provide our families with beautiful open spaces to enjoy.

RESPECT FOR OUR RELIGION AND OUR NATION

Our beloved Prime Minister, Hon'ble Modiji is focused on making India a developed economy through the upliftment of every Indian. As a true nationalist, I am deeply committed to safeguarding the culture, religion, and heritage of our communities.

With your blessings, I look forward to continuing to serve you and work for the welfare of all the citizens of Malabar Hill.

Always yours,
Mangal Prabhat Lodha

Adv. Mangal Prabhat Lodha, MLA Malabar Hill
BJP Mumbai

Shri Narendra Modi
Hon'ble Prime Minister

I request you to spare 10 minutes of your time and vote on 20th November to show your personal affection towards me.

I will be visiting your area on ___ October around ___ and I look forward to meeting you.
